

'Cosmetic Regulations: Europe & the World'

In-Cosmetics Global 2018 Regulatory Workshop

- Venue: RAI-Amsterdam, Netherlands
- Date: Monday, 16. April 2018 || 14-18.00
- Workshop includes an evening 'Networking' Cocktail Event
- Organizer: CONUSBAT Regulatory Services

Once again, CONUSBAT Regulatory Services is organizing a regulatory workshop for In-Cosmetics 2018, which will be held at the RAI-A'dam in the Netherlands. The Workshop's incentive is to provide an analysis of the access to the world's biggest markets, EU, USA and China with a specific review of regulatory modules, which can be used simultaneously.

Our In-Cosmetics 2018 Regulatory Workshop's Speakers & Moderator bring decades of industry experience:

- Dr. Gerald Renner, Technical Regulatory Director, Cosmetics Europe (CE), Brussels, Belgium
- Dr. Craig Weiss, President, Consumer Product Testing Co. (CPTC), Fairfield, NJ USA
- Dr. Annelie Struessmann, Regulatory Director, CONUSBAT Regulatory Services, Bielefeld, NRW Germany
- Workshop Moderator: Steven L. Hanft, M.A., President, CONUSBAT, Bielefeld, NRW Germany

Agenda: 'Cosmetics Regulations: Europe & the World'

14.00 Welcome & Speaker introductions: Steven L. Hanft, CONUSBAT

14.15-14.45 'Key Regulatory Modules of the EU's Cosmetics Framework & Their acceptance in Worldwide Markets', Dr. Annelie Struessmann, CONUSBAT

14.45-15.30 'Regulatory & Testing modules for the access to the US Cosmetics Market', Dr. Craig Weiss, CPTC

15.30-16.00 Break for Coffee & Networking

18.00 - Networking Cocktail Event

Pre-Register: In-Cosmetics Regulatory Workshop A'dam, 16. April 2018

CONUSBAT Regulatory Services expertise lies in the EU's current 28 member states regulations as well as global compliance support for cosmetics, personal care, fine chemical processors and the borderline industries. We provide safety assessments, substance inventories, registration dossiers, representation, i.e., REACH Only Representative (OR), Responsible Person (RP). Additionally, we cooperate with strategic global regulatory partners for the core sectors we service.

CONUSBAT didn't write the regulation, our job is keeping you compliant with it!
